Mandatory Community Involvement Activity Record

As stated in *Ontario Secondary Schools, Grade 9 to 12: Program and Diploma Requirements, 1999 (OSS)* policy document, all students in Ontario secondary schools must complete a minimum of 40 hours of community involvement activities as part of the requirements for an Ontario Secondary School Diploma (OSSD). As of July 1, 2011, students will be able to start accumulating community involvement hours in the summer before they enter grade 9. The purpose of the community involvement requirement is to encourage students to develop an awareness and understanding of civic responsibility and of the role they can play in supporting and strengthening their communities.

PLAN

Students under the age of eighteen should plan an activity in consultation with their parent(s)/guardian(s). The activity must fall within the guiding principles the Board has established (see list of examples on the back).

GET APPROVAL

If the activity is not on the Board's list of examples, the student **must** get approval from their principal or school designate (Guidance) prior to the completion of the hours. If completed without permission and permission is subsequently denied, the activity or event will not be counted toward the student's community involvement requirement.

DOCUMENT

Upon completion of the planned activity, students should have the supervisor of the activity print their name and sign in the designated area of the form. Students must make sure the form is completely filled in including parent(s)/guardian(s) signatures.

SUBMIT TO GUIDANCE

Students must bring completed form to Guidance. Hours will then be added to their graduation requirements. If a student completes their 40 hours before the end of June in their grade 10 year, they will receive a Certificate of Recognition at the beginning of grade 11 recognizing their efforts. The principal may request your form at any time.
